# Welcome to Vorby

As a new resident of Vorby, we want to welcome you. No matter if you're staying here permanently or just visiting, we want you to feel at home.

We'd like everyone here to feel a deep sense of belonging and connection to the city, the land, and the community. We trust you to contribute in whatever way you think makes sense. It's not just on you, though, it goes both ways. We'll do our best in supporting you, as you get settled in.

To help you familiarize yourself with Vorby, we have compiled a comprehensive collection of resources that we ourselves would appreciate if we were to just arrive here. This includes a map highlighting key important sites, community centers, amenities, and cultural offerings. We have also made suggestions for experiences that might be a good starting point for you. If you do not find what you are looking for, please reach out to us at the station and we will help guide you.

With the wish of a pleasant stay in Vorby,

Friends of Vorby
